Dear Parents,

Are you are parent of a child with Special Educational Needs and Disability (SEND)? Do you know about Barnsley's Local SEND offer?

What is the Local Offer? - Barnsley's Local Offer is a single access point for information about services and support for children and young people from birth to 25, with a special educational need or disability (SEND), and their families.

It can be found through the Family Services Directory <http://fsd.barnsley.gov.uk> or simply type in Barnsley Local Offer into a search engine and follow the link. This is what the page looks like:

Its purpose it to make sure children, young people and families can access the right information at the right time and are able to make informed choices.

You can get information about:

- Early Years, childcare, education and training
- Social and health care
- Specialist SEND services, organisations and groups
- Family centres and early help support
- Short break provision and things to do in the local area
- Travel and transport

The website is just part of the offer. There is also a dedicated family involvement and information office for disabled children and young people who can help you access Local Offer information and give specific support. Give them a call free on: 0800 0345 340 or email infoFIS@barnsley.gov.uk

If you require any help accessing any of the information above, please do not hesitate to contact either of us.
