### Key Stage 2 Sharing of Learning Event

Dear Parents

After the positive feedback from our previous KS2 sharing learning events, we would like to invite KS2 parents into classes 4, 5, 6, 7 and 8 to share our maths learning on **EITHER** Tuesday 13<sup>th</sup> March **OR** Tuesday 20<sup>th</sup> March .

This opportunity will allow you to be with your child during the lesson, offering support where needed. The lesson will be very relaxed and you are welcome to ask any questions you have throughout the lesson or after. We feel it is important that you are given the opportunity to see the standard of work your child produces in lessons and we are sure the children will be excited to share their everyday school experience with you.

You should arrive at the office entrance at 1:45 pm where you will be shown to your child's classroom and the session is expected to finish at approximately 3:00 pm.

If you are interested in attending, please complete the slip below, indicating your preferred date. Please be aware that due to numbers, we regret that this cannot be guaranteed.

**Unfortunately due to larger class sizes and the large numbers of parents, grandparents and other relatives wishing to attend in previous years, we have had to restrict the number of guests per child this time to one parent or carer only.** This will be on a first come, first served basis for both dates therefore it is essential that your child returns the slip to the class teacher and not the office. You will receive a slip from the class teacher that will inform you of the date when you can attend.

Yours sincerely,

Mrs Twist and Miss Stanley (KS2 Leaders of Learning)

**THIS LETTER MUST BE RETURNED TO THE CLASS TEACHER AND NOT TO THE OFFICE.**
